

Project Evaluation Request

Arizona Game and Fish Department

Notice: In order to obtain a review of your project, we require all of the information requested on this form to be provided. This review is free of charge. However, due to staff and budgetary constraints, we ask you to submit this form early in the process, as estimated turn around time is 30 days (if you need this review in less than 30 days, please include a needed by date and we will try to accommodate your request). This request is a preliminary review and further project review should include draft documents and a letter formally requesting further environmental review.

Project Evaluation Objectives:

Habitat Evaluation incorporates fish and wildlife resource needs or features in land and water development projects and land and water management planning efforts in Arizona.

Habitat Protection ensures habitat protection through environmental compliance and regulation, and to monitor the implementation and effectiveness of mitigation commitments for various land and water development projects and management planning activities in Arizona.

Instructions: The Following materials are required to process the request

- Completed form
- Map(s) delineating the project area (preferably a USGS quadrangle map)
- Relevant attachments (other supportive documents, photographs, etc.)
